Residential Plot for sale in Benahavís

Located in the elevated landscape of Monte Mayor, this 2,100 square metre plot offers an exceptional opportunity to create a bespoke home within one of the most private and secure gated communities in the Benahavís area. Whether you choose to proceed with the approved project for a 375 square metre villa or develop your own architectural vision, the setting is designed to inspire. The existing villa project proposes a modern five-bedroom, four-bathroom residence, thoughtfully planned across two levels. It includes expansive open-plan living areas, floor-to-ceiling windows capturing panoramic views, and generous terraces that connect seamlessly with the natural surroundings. With a combination of interior living space of approximately 325 sqm and terrace areas totalling around 50 sqm, the proposed home prioritises comfort, privacy, and...
