Penthouse for sale in Torremolinos

If you're looking for space, natural light, and a great location, this property is for you. It is a 92 m² triplex with a very comfortable layout and a 40 m² solarium terrace that is essentially an additional outdoor living room. The home features three double bedrooms, all with large wardrobes, two full bathrooms, and a guest toilet. The living room is spacious and bright, with large windows that bring the space to life. The kitchen, semi-open and with a window, is integrated without losing its sense of independence. The entire property was renovated five years ago, so it is ready to move into. One of its strongest features is the solarium: equipped with awnings, dimmable LED lighting, an auxiliary kitchen, laundry area, shower, and a toilet. Perfect for outdoor meals, relaxing afternoons, or simply disconnecting without leaving...
