Ground Floor Apartment for sale in Fuengirola

Apartment in the heart of Fuengirola | Possibility of 2 bedrooms | High profitability Opportunity on Fuengirola, just a few minutes' walk from the beach and surrounded by all amenities: supermarkets, restaurants, public transport, and leisure areas. This renovated 76 m² apartment combines comfort, brightness, and a prime location, making it an excellent option both as a permanent residence and as an investment. The property offers a modern and functional layout, ready to move into, with great reconfiguration potential: the space currently used as a professional kitchen can easily be converted into a second bedroom with minimal investment. With a simple renovation, this property could generate a significant increase in rental or resale profitability, becoming a 2-bedroom apartment in the very center of Fuengirola. Current la...
