Residential Plot for sale in Marbella

Urban plot with project and panoramic sea views – opportunity for residential development!!! Excellent investment opportunity on a 155 m² urban plot with a project for the construction of a modern (already existing, but unfinished) 4-story residential building, designed to house 5 apartments and their corresponding parking spaces. The development stands out for its impressive open sea views, an increasingly sought-after feature and a great added value for buyers and investors. Located in the center of Ojén, 5 minutes from Marbella town center. The project includes bright and functional apartments, designed to take full advantage of the orientation and views, in a location with great residential and tourist potential. Main features 155 m² urban plot Project included in the price 4-story building Capacity for 5 apartm...
