Penthouse for sale in Marbella

A unique facility on the first line in the heart of Marbella. There is a design project and permission for the reform in process. With additional investment, the property will have a very high rental potential, as it is based close to Puerto Deportivo of Marbella which is the heart of day and night life. The apartment has a separate entrance from the waterfront, however, it offers a great sea view and the best location. Please, contact us for additional information....
