Middle Floor Apartment for sale in Marbella

Spacious apartment currently used as a professional office, ideal both as a workplace or as a residence. Officially registered as a 2-bedroom, 2-bathroom property, it stands out for its brightness and generous layout. Located right in the business center of Marbella, surrounded by notaries, banks, shops, and all essential services, it offers a prime strategic location whether for living or working. The building features concierge service, and a parking space nearby can be purchased separately. An excellent opportunity in the heart of Marbella, with the flexibility to adapt it to residential or professional use....
